- procedures for the orientation of new families and children into Flemington Childcare Co-operative
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

POLICY STATEMENT

1. VALUES

Flemington Childcare Co-operative is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, early childhood teachers, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Flemington Childcare Co-operative.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, a priority system for access must be determined by the Approved Provider in order to allocate the available places. The criteria used to determine the allocation of places will vary from service to service, but is generally based on a service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Criteria for access and inclusion are outlined in *The Kindergarten Guide* (refer to *Sources*). Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Acceptable immunisation documentation: documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Approved care: Care given by a service provider that has been approved by the Family Assistance Office to receive Child Care Benefit payments on behalf of eligible families. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are approved providers. Details are available at: www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Child Care Benefit (CCB): A Commonwealth Government payment to help families who use either approved or registered childcare services. All eligible families can receive some Child Care Benefit. Details are available at:

www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

Enrolment application fee: A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

Enrolment application form: A form to apply for a place at the service.

Enrolment form: A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. This information is kept confidential by the service.

Fee: A charge for a place within a program at the service.

ATTACHMENT 1

Eligibility and priority of access criteria

1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at:
www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at:
<http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at:
www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- priority of access criteria as outlined in *The Kindergarten Guide* available at:
www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented. Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Flemington Childcare Co-operative requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:

- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- A fee of \$230 must be paid in accordance with the Flemington Childcare Co-operative's Fees Policy by _____ [Date] by credit card/ EFT / Direct Deposit to hold the place for the following year. This fee will be deducted from the first fortnights fees.
- An enrolment form and other relevant information will be provided by Flemington Childcare Co-operative to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).
